- B. The **CLASS** day and time (along with type of dance, teacher, and name of dance) are listed to the right of the shaded area
- C. The actual running order within each 1/2 hour time slot may vary, depending on which numbers are ready to dance.
- D. To determine your dancer's dress rehearsal time, find their regular class day & time. The shaded column to the left is their time slot for dress rehearsal.
- E. Keep in mind that all dancers need to be at the Arden, dressed, with hair & make-up complete, and ready to dance 1/2 hour **PRIOR** to the commencement of their time slot. This will help ensure that the entire rehearsal is kept on time.
- F. The older dancers can proceed directly to the theatre seating area when they arrive (assuming their make-up and costuming is complete)
