The Tuesday Daytime Classes, Tuesday Evening Wonder Dance class at 4:15 with Miss Jill, and the Tuesday Evening Preschool Dance Class at 5:00 with Miss Jill will all run as usual, here at the DanceCo studio, on Tuesday March 23/10. The Tuesday Evening Ballet Technique Class at 5:30 with Miss Jill, the Tuesday 4:15 Dance Tech with Miss Liane, and the Tuesday Evening Tap Class at 8:30 with Miss Liane will be cancelled on this evening.

Dress rehearsal for all festival classes takes place at the Arden Theatre. It runs from 4:15 until 9:15 and the schedule is broken down into ½ hour increments.

ATTENDANCE IS MANDATORY for all dancers participating in festivals. If you received an invoice in the fall for festival fees, then your child's class IS participating in festivals. If you are unsure as to whether your child's class is in any festivals, please speak with their teacher or the receptionist.

Dancers are required to be at the Arden theatre ½ hour prior to their scheduled time slot with their costume on, and hair and make-up complete (with the exception of the 4:15 time slot - those dancers need to be there by approx. 4:00).

NOTE: Costume, Hair & Makeup requirements will be made available no later than March 12/10.

The dancers will get ready in the dressing rooms and then proceed to the auditorium, where they will wait until they are called backstage. Once they are finished dancing, they are free to go. The younger dancers will be met in the main lobby (½ hour prior to their slotted time) and will be escorted to the auditorium. We will ensure that they are properly supervised in the theatre; and they will be brought back down to the lobby area once their ½ hour time slot is complete.

### CLOSED DRESS REHEARSAL

We will once again be having a CLOSED dress rehearsal this year. This means there will be NO audience members in the theatre, only Arden staff, DanceCo staff, and performers. The majority of rehearsals throughout the performance industry are CLOSED events. Our dress rehearsal is designed strictly for the dancers to have an opportunity to practice their numbers on a stage, in costume, and for the teachers to assess how the number appears on stage, and make any necessary revisions. It is difficult and unfair for the Arden Staff to be required to monitor this event as a performance, with a large audience, rather than as a rehearsal, with no audience members. Miss Liane will once again be watching the entire dress rehearsal from the audience and providing an assessment of each number, to each teacher. The closed rehearsal will allow for fewer distractions so they can focus entirely on each number. We very much appreciate your understanding this format.
