## WELCOME to DanceCo!!

We are excited to see our returning dancers along with so many new dancers this season. We hope everyone had a great first week. We are still doing a little shuffling to ensure everyone is in the correct class, so we appreciate your patience while we continue to work on this.

## 8 Week Classes

Our 8 week classes commence October 12th. This is a great way to try some classes without committing to a full year. For a list of the various classes, see the leaflet on our reception desk,. Or ask our receptionist for information.

## DanceCo Dancers

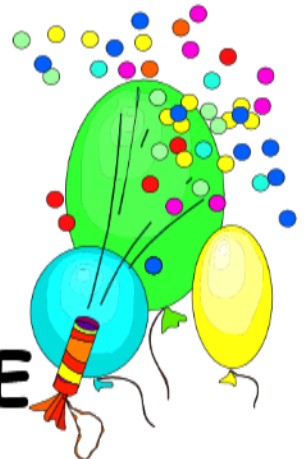

### Performing Company

Auditions will be held September 24 at DanceCo. Eligible dancers must be at least 8 years of age, and taking a minimum of 3 dance classes per week (with at least one ballet and one jazz class).

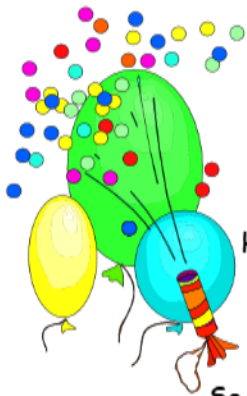

The troupe is gearing towards travelling to Disney World to perform in the summer of 2012. See our receptionist for further details.

## Any Dance Costumes You Want To Get Rid Of?

Consider consigning them with us! Our DanceCo Dancers Performing Company are holding a costume sale fundraiser at our upcoming Open House.. You can consign your costumes with them (they must be clean, in good shape, and current styles) and if they sell, you will receive 60% of the proceeds with the remaining 40% going to the DanceCo Dancers Performing Company. See our receptionist for further details.
