Charity of Choice

As the holidays are approaching quickly we would like to introduce to you our charity of choice for Christmas 2017! Each year DanceCo chooses an organization or event to donate to in lieu of teacher gifts and this year have decided on The Diaper Lady. There is absolutely no pressure or requirement to participate in this, unless you would like to. We originally introduced our Christmas charity plan years ago when our teachers were receiving a large abundance of Christmas gifts from their students. They love that - and are so thankful - and yet we recognized that perhaps we could turn it into a way to give back to those in need!

The Diaper Lady was started up by Sandra Manturzyk early last year after learning that when a family goes to The Mustard Seed they are only given 8 diapers to last them a month!! Sandra was shocked to discover this and that is how The Diaper Lady was born. Last year they organized a diaper drive and since then have expanded into accepting many donations including children's clothes, men's clothing, women's clothing, household items and of course, diapers! After such a successful drive last year, Sandra decided that they could do even more! At The Mustard Seed they have organized a Family Gift Centre where parents can purchase two gifts for each of their children, for the amount of \$2 each. There is also a wrapping centre provided and their children are entertained with Christmas movies, crafts and hot chocolate as their parents shop. The reason for the \$2 toy store is two fold. Firstly, it brings dignity to the parents to be able to shop and purchase a gift that they provided to their child and secondly, many people may not qualify for other toy drives such as Santa's Anonymous. All of the money from the toy store goes directly back to The Mustard Seed. They are looking for a wide range of toys from babies to teens valued at a minimum of \$10. They have a goal this year of reaching 1000 new, unwrapped toys and we at DanceCo would LOVE to help them achieve this!!

Congrats!

We would like to take a moment to congratulate a few of our dancers who have had successful auditions and, or received scholarships over the past few months for various teams, conventions and shows!
