2018 - 2019

Full Season Dance Program Fees & Payment Policy

Registration Fee - \$20 per dancer / \$30 per family

Recital / Festival Costume Fees - The average price of each costume is \$60 to \$70 for pre-school age dancers, \$70 to \$90 for Core Program Dancers age 7 & up, and \$90 to \$140 for Competitive & Pro-Team Program Dancers. A \$50 costume deposit (per dancer/per class) with the exception of Ukrainian classes is payable by Oct 1st for Full Season programs and Jan 1st for Half Season programs. This amount is **non-refundable unless we are notified in writing** that the dancer will not be performing with the class **prior to October 15th**. Once costumes are ordered, usually in late fall, you are responsible for the remaining balance on the costume over and above the deposit amount. The balance on costumes is due in the spring as they arrive.

Ukrainian Costume Fees - Costuming for the Ukrainian classes is quite elaborate including intricate stitching and head pieces. The costumes are also designed in such a way that they typically may be worn for several years. As a result, they are quite expensive (in the \$300 and up range). Our Ukrainian instructor takes care of all the purchasing of the costumes for the Ukrainian Dancer's. Therefore, deposits and payments are made directly to the instructor rather than to DanceCo.

Festivals and Competition Fees - Most **Full Season** classes for dancers age 7 plus participate in two festivals, which take place in the spring. The approximate cost per class for two festivals is \$80 to \$90, per student. A \$70 festival deposit (per dancer/per class) is payable by Nov 1st. This amount is **non-refundable unless we are notified in writing prior to November 15th** that the dancer will not be participating in festivals. The balance on festival entry fees will be due in approximately December.

Tuition Fees are based on **combined hours per family per week**. **Monthly Tuition Installments** are based on a **FULL SEASON** amount divided by 10, to provide for easy monthly installments. Consequently, some months will have more weeks of dancing than other months, but the monthly installment remains the same. *(Please see fee schedule located on the next page)*

Full Season Dance Program Payment Policy - A **non-refundable** payment including the registration fee and/or a tuition deposit equal to 2 monthly installments *(see fee schedule located on next page)* is payable at time of registration. ***The balance of the yearly tuition, as well as costume & festival deposit(s) must accompany the registration by either a series of post-dated cheques or credit card set up in our Auto Pay system.***

Please Note - online enrollment requires online credit card payment and acceptance of monthly auto-pay OR remittance of required deposit AND series of monthly post dated cheques prior to midnight the day of enrollment (Office only open during posted business hours)
