Attendance

A quick reminder on how important good attendance is at this time of year, especially for our festival classes. This portion of the year can be repetitive as we are completing and cleaning dances so our dancers feel confident and shine on stage!! We want to encourage parents and students to keep positive and trust these efforts will benefit our dancers!

Costumes & Requirement Sheets

Many costumes have started arriving and we will notify you once they are priced and ready for pick-up. Please note that costumes will not be released until your family account is up to date. Shortly after you will be emailed a costume requirement sheet which will include a breakdown of hair, make-up and costume pieces specific to your dancers performance(s). Make-up, tights and earrings will be available for purchase at all studios while supplies last.

Dress Rehearsal (Festival Classes Only)

Our dress rehearsal is scheduled for March 15th to 17th at the Arden Theatre in St. Albert. All dancers participating in festivals are required to attend their respective rehearsal. A specific schedule will be sent out shortly. This will be a closed rehearsal, therefore only staff and dancers will be allowed into the theatre.

Festivals

DanceCo's "festival season" begins in April. As soon as we receive the schedules from the festivals we will email them out as well as post on our bulletin boards and website. We generally receive final schedules about 3-4 weeks prior to each festival.

Watch Week

Our next Watch Day will take place in February. Specific dates will be emailed out shortly! We encourage all parents to attend as it gives our teachers an opportunity to connect with the parents in regard to costuming, year end recital, festivals, dress rehearsal etc.

DanceCo In The Community

We're so grateful to have been given the opportunity to perform at various events throughout the city these last few months!! Check out which events our dancers have been at!
