Find the name of your dancers' class and the information beside it will provide the level, age and day/time for the upcoming 2020-2021 season. *Please note that this dance name is ONLY to find your day and time for the upcoming year. The dancers will not be doing the same dance again.*
- In some cases, an instructor may recommend your dancer to a different level. If this is the case, the instructor will be in touch with you directly to discuss your options.
- If you have any questions regarding the appropriate placement of your child, please do not hesitate to talk to your child's instructor.
- If you are looking for a particular class and do not see it noted below, please contact us and we can provide more info.
- The overall schedule is not yet complete. Some of the classes below may change slightly and/or additional classes may be added as registration progresses.
