Imagine, explore and learn this summer in a program designed for children ages 3, 4 and 5 years!

Program Outline

Imagination in Motion will expose children to arts and academics in a relaxed, educational setting. Our aim is to inspire a desire to learn and to continue to facilitate the development of each child's unique abilities in a loving and creative environment. Children will have time to imagine, play and explore the world around them through movement, song, drama and creating!
