

Full Season Dance Program Fees & Payment Policy

Registration Fee (Full Year Programs Only)

\$20 per dancer / \$30 per family

Tuition Fees

Full Year Classes - Fees are based on combined hours per family per week. Monthly Tuition Installments are based on a FULL SEASON amount divided by 10, to provide for easy monthly installments. Consequently, some months will have more weeks of dancing than other months, but the monthly installment remains the same. A non-refundable payment including the registration fee and the tuition deposit equal to 2 monthly installments is payable at time of registration. The balance of the yearly tuition, as well as costume & festival deposit(s) must accompany the registration by either a series of post-dated cheques or credit card set up in our Auto Pay system.

We are looking into the possibility of adding automatic bank withdrawals to our payment options as of September. Should this go ahead, credit card payment options will still be available, however a 3% surcharge will be applied to payments made via credit card.

Recital and Festival Costume Fees (Full Year Programs Only)

\$80 to \$95 Approx - Pre-School & Primary Program

\$95 to \$120 Approx - Core Program

\$125 to \$175 Approx - Competitive & Pro-Team Program

A \$50 costume deposit (per dancer/per class) apart from Ukrainian and technique classes is payable by Oct 1st. This amount is non-refundable unless we are notified in writing that the dancer will not be performing with the class prior to October 1st. Once costumes are ordered, usually in late fall, you are responsible for the remaining balance on the costume over and above the deposit amount. The balance on costumes is due in the spring as they arrive.

Ukrainian Costume Fees - Costuming for the Ukrainian classes is quite elaborate including intricate stitching and head pieces. The costumes are also designed in such a way that they typically may be worn for several years. As a result, they can range from \$300 and up.
